The SF Committee consists of:

- The SF Director
- The SF Coordinator
- The Program Director of each of the following subspecialties: Cardiac Surgery, General Surgery, Neurosurgery, Orthopedic Surgery, Otolaryngology/Head & Neck Surgery, Plastic Surgery, Urology and Vascular Surgery
- The President of the RRG
- The Vice President of the RRG
- The PGY1 Representative of the RRG

The SF Resident Representative Group (RRG) consists of:

- The SF Coordinator
- A resident representative (PGY2) from each of the following sub-specialties Cardiac Surgery, General Surgery, Neurosurgery, Orthopedic Surgery, Otolaryngology/Head & Neck Surgery, Plastic Surgery, Urology and Vascular Surgery
- A PGY1 Representative
**Election and Voting Policy**

- The process for establishing the RRG for the following academic year begins in April.

- Where there is only one possible candidate for division representative, the candidate is appointed to the position. (E.g. Cardiac Surgery, Vascular Surgery.)

- Where there is more than one possible candidate, a call for volunteers/nominations goes out to the residents of the division.

- When more than one nomination/volunteer is received for division representative, a divisional vote is called. Where only one nomination/volunteer is received the resident is appointed to the position.

- In a situation of multiple nominees, nominees are offered the opportunity to either accept or decline their nomination.

- Voting within the RRG takes place for position of President and Vice President. When results of voting are not clear the vote is put to all SF residents. Speeches may be requested from the candidates prior to voting. The President and Vice President sit on the SF Committee.

- The PGY1 Rep is nominated after the start of the new academic year (September) to give residents from July to Sep to get to know their peers and who they may like to represent them on the committee. All SF Surgery R1s are eligible for nomination to the SF RRG and are most welcome to volunteer themselves. PGY1s and PGY2 are eligible to nominate and vote for the PGY1 Rep. The PGY1 Rep. sits on the SF Committee.

- Voting takes place by e-mail (SF Coordinator maintains confidentiality) or by Survey Monkey.
